

CONSTANCE H. BAKER

EXPERIENCE IN HEALTH CARE PROFESSIONAL PEER REVIEW, DISCIPLINARY AND LICENSURE PROCEEDINGS

I have been involved in many health care professional, peer review, disciplinary and licensure proceedings. These span many different specialties and reflect a broad perspective representing physicians, other providers, hospitals and medical staffs. My former role as an Assistant Attorney General and prosecutor for the Maryland Board of Physicians adds to my experience. A sampling of my experience follows:

	Specialty	Client	Role
1.	Gynecology	Physician	Persuaded Maryland Board of Physicians (“MBOP”) to withdraw charges after charges were issued, on basis of failure to follow peer review guidelines and conflict of interest.
2.	Plastic Surgery	Physician	Represented physician before MBOP in several matters, D.C. Board of Medicine, Virginia Board of Medicine, and American Board of Plastic Surgery.
3.	Neurology	Physician	After MBOP imposed probation and network threatened “deselection”, persuaded MBOP to terminate probation and enter into non-public Disposition Agreement requiring continued treatment for substance abuse; successful representation before D.C. Board of Medicine.
4.	Internal medicine / Cardiology / pulmonology	Physician	Represented physician before MBOP which imposed probation, focused CME, proctoring, transcription of medical records; no “down time” required.
5.	Surgery	Physician	Represented physician before MBOP which imposed CME requirements while allowing physician to continue to practice as surgical assistant; persuaded prosecutor and MBOP to drop charge of illegitimate prescribing without valid medical purpose.
6.	Orthopedics	Physician	Represented doctor during investigation of complaint and achieved dismissal without charges by MBOP.
7.	Orthopedics	Physician	Represented through investigation of complaint and achieved dismissal without charges by BPQA.
8.	Gastroenterology	Physician	Represented doctor during investigation and achieved dismissal without charges by MBOP.
9.	Internal Medicine	Physician	Represented doctor during investigation of patient complaint and achieved dismissal without charges by MBOP.
10.	Obstetrics/ Gynecology	Physician	Represented doctor by disgruntled physician who lost privileges; achieved dismissal without charges.

	Specialty	Client	Role
11.	Anesthesiology	Physician	Represented doctor by disgruntled physician who lost privileges and achieved dismissal without charges.
12.	Ophthalmology	Physician	Represented doctor by patient and achieved dismissal without charges.
13.	Gastroenterology	Physician	Represented doctor before MBOP by patient complaint and achieved dismissal without charges.
14.	Internal Medicine	Physician	Represented physician during investigation of fraud and related charges by MBOP.
15.	Psychiatry	Physician	Represented physician during investigation for illegitimate prescribing; physician retired in lieu of charges.
16.	Urology	Physician	Represented physician during investigation for substandard care and persuaded MBOP to dismiss complaint without filing any charges due to conflicts of interest and bad faith of peer reviewers.
17.	Internal Medicine	Physician	Represented physician during investigation for alleged abandonment and discriminatory treatment and achieved dismissal without charges by MBOP.
18.	Obstetrics/ Gynecology	Physician	Represented physician after MBOP filed charges and successfully persuaded MBOP to close case with non-public, informal warning re medical records.
19.	Obstetrics/ Gynecology	Physician	Represented physician, achieved dismissal without charges by MBOP.
20.	Urology	Physician	Represented physician before MBOP, Special Investigation Unit of Blue Cross Blue Shield and Health Care Fraud Unit of Criminal Investigations Division, Office of the Attorney General. Blue Cross and the Criminal Division dropped charges. Negotiated Consent Order with MBOP
21.	Hyberbaric oxygen therapy	Physician	Represented physician before MBOP in complaint of former employee alleging violation of patient care standards.
22.	Geriatrics	Physician	Assisted in representing physician before MBOP in complaint of daughter of former deceased patient regarding physician's certification of level of hospice care for Medicare reimbursement. MBOP dismissed complaint.
23.	Anesthesiology	Physician	Represented physician in residency program regarding substance abuse charges
24.	Cardiology	Physician	Represented physician at Physician Rehabilitation Committee regarding substance abuse charges.
25.	Dentistry	Dentist	Assisted in representing dentist in investigation by commercial insurer for suspected fraud. Achieved settlement with no reporting.
26.	Psychology	Psychologist	Represented psychologist before Maryland Board of Psychology Examiners. Board dismissed complaint.

	Specialty	Client	Role
27.	Nurse	Nursing Supervisor	Represented claim before State Board of Examiners of Nurses regarding allegation of inadequate supervision. Board dismissed complaint.
28.	Educational Testing	Education Assessment Specialists	Represented educational assessment specialists before Maryland Board of Psychology Examiners regarding whether educational testing is within the practice of psychology.
29.	Psychiatry	Physician	Represented psychiatrist before MBOP in connection with Order for Summary Suspension. Successful in reversing summary suspension by MBOP. Physician entered into consent order.
30.	Interventional Cardiology	Physician	Represented physician before Board of Trustees of hospital which issued reprimand. Represented physician before MBOP which dismissed complaint.
31.	Chiropractic	Chiropractor	Represented chiropractor before D.C. Board of Chiropractic.
32.	Orthopedics	Physician	Represented physician in connection with on-call privileges at hospital.
33.	Obstetrics/ Gynecology	Physician	Represented physician in connection with contract dispute with hospital.
34.	Psychiatry	Physician	Represented physician before MBOP in connection with lapse of license. MBOP imposed fine.
35.	Internal Medicine	Physician	Ongoing representation of physician before MBOP in connection with continuing medical education deficiencies.
36.	Psychiatry	Physician	Represented physician in Hearing Committee which found in favor of physician.
37.	Internal Medicine/ Family Practice	Physician	Represented physician in proceedings before Maryland Board of Physicians.
38.	Orthopedics	Physician	Represented physician before the American Board of Orthopedic Surgery regarding eligibility for Part II of certifying examination.
39. .	Nuclear Pharmacist	Pharmacist	Represented pharmacist before Maryland Board of Pharmacy regarding reinstatement from suspension.
40. .	Obstetrics/ Gynecology	Physician	Represented physician excluded from participation in federal health care program.
41.	Obstetrics/ Gynecology	Physician	Represented physician in proceedings at county hospital.
42.	Cardiology	Physician	Represented physician in proceedings at Veterans Administration successfully reversing findings of research fraud and exclusion from VA contracts
43.	Family Practice	Physician	Represented physician before Maryland Board of Physicians regarding voluntary surrender of license, and before Drug Enforcement Administration, Department of Justice regarding allegations of improper prescribing.

	Specialty	Client	Role
44.	Interventional Cardiology	Physician	Represented physician regarding termination from Hospital employment and proceedings before Hospital quality improvement committee.
45.	Psychiatrist	Physician	Represented physician in investigation by Maryland Board of Physicians.
46.	Nurse	Nurse	Represented nurse supervisor in connection with summary suspension and reinstatement by Board of Nursing.
47.	Nephrology	Medical Staff	Advised Hearing Committee which recommended denial of privileges. Board of Trustees denied privileges.
48.	Pediatrics	Medical Staff	Advised 1st Hearing Committee which recommended termination. Advised 2nd Hearing Committee which recommended conditions. Board of Trustees denied privileges.
